

Baptism Family Faith Checkup

Nativity Catholic Church is a community of believers. Through the Church, beginning with Baptism, the Lord gives you and your child a share in his own blessed life. The Sacrament of Baptism is a chance to check where you are in your walk with the Lord and his Church. Each parent will complete this Faith Checkup individually. Once you have each completed your own form, bring these papers with you to your meeting with the baptism couple that you were assigned.
